SPEAK OUT.

The Searchlight of Publicity is Pleasing Barre People.

Publicity is what the people want. Let the public speak on the subject. There has been too much claim—too little proof.

There is only one kind of proof for a Barre citizen. The experience of people we know. When friends and neighbors endorse. No question about such evidence. This kind of proof backs every box of Doan's Kidney Pills.

Here is a case of it. Mrs. A. M. Andrews (A. M. Andrews, farmer), residence, Orange, says: "Some two years ago I first noticed pain in my back and hips and as the weeks and months went by it became more severe and was of much longer duration. Finally too frequent action of the kidney secretions was added to the backache, and as they were often distressing and annoying health ran down and it was impossible for me to do the slightest housework with any degree of pleasure. If I was on my feet for any length of time I was taken with dizziness and blurring before my eyes and I often became so weak and nervous that I almost felt a lady friend in Barre recommended Doan's Kidney Pills to me and my husband went to E. A. Drown's for the first box. I cannot positively state that the remedy has actually rid me of the cause of the backache and other complaints due to kidney complaint, but I must conscientiously say that from the benefit received I have the greatest confidence in Doan's Kidney Pills and believe that what is said about them is not misrepresentation."

For sale by all dealers. Price 50 cents. Doan's Kidney Pills Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.
